Subject: Black Watch Soccer Academy

My son, Austin, went to the Black Watch Soccer Academy (now **i-kick**) for the first time Monday night. He absolutely loved it! Thanks for telling us about it.

I wanted to let you know that Austin would be missing 2 weeks (June 30th, July 7-14) of the program due to prior family commitments. Being a soccer coach, I am sure you realize that the season gets long. We had scheduled our time away around the competitive season before we knew about the Academy soccer. I hope this doesn't cause any problems, aside from the obvious—missing quality training!

We look forward to the nights that Austin will be able to participate in the program.

Thanks again for a great program,

Mrs. S
