Subject: Thank you!

Dear Coach Cook and Staff,

Unfortunately, we were unable to attend Wednesday for the last day of camp and won't be able to sign up for the next session (*but we'll be back!!--I promise to sign up again once my schedule allows*). We didn't want to leave without saying thank you for a wonderful job you and your coaches have done. My daughter, Hailey, has learned a great deal and has thoroughly enjoyed the Academy (now **i-kick**). Not only did she experience the basic skills and techniques of soccer, but she had a fun time meeting friends and getting to know the coaches. I appreciate how well you all worked with her. You and your staff exemplified patience, caring, enthusiasm, motivation and understanding to each and every child. Thank you again for what you have done. I highly recommend the program to anyone who wants to teach their children what a great and fun sport soccer truly is.

Sincerely,

Mrs. D
