Here's what proud and satisfied parents are saying about the i-kick™ training program!

"The i-kick sessions have really sparked Manolo's thirst to continue... to not only learn more, but also practice at home. Our hats go off to you and your trainers!"

Manolo's Mom & Dad

"My son Luke (age 6) attended the Academy's i-kick program for only a brief training session in the summer of 2003 but his experience left a lasting impression on my mind. The coaches were full of enthusiasm, very obliging, organized and above all, very child centered. In the few times I observed there was a conscious effort to include everyone and it was not only the exceptional players who dominated the ball. There was not one session that my son wanted to miss."

Luke's Mum—from the Island of Malta, Europe

"My son, Austin went to the Academy for the first time Monday night. He absolutely loved i-kick! Thanks for telling us about it!"

Austin's Mom

"I have been involved with soccer for over 20 years as a parent, assistant coach and high school coach. I've observed and have attended many soccer camps for kids and coaches. Yours is by far the best I've seen. The philosophy, techniques for teaching, and the staff's positive reinforcement and motivation are superb. My daughter's increased love of the sport and increased skill level are additional pluses for the Academy's i-kick program. Keep up the good work!"
